

Baby Tube Socks

These Baby Tube Socks are **wonderful** for so many reasons! First of all baby socks are **SO quick** and easy to knit! They are also super **cute** and the **best** thing is, that they don't have a heel so they will fit the baby's feet much longer than usual socks.

If you want to can even increase the amount of stitches and make them for **toddlers & kids**.

MATERIALS

Yarn: Standard Sock Yarn

Gauge: 30 stitches and 42 rows to 10 cm

Needles: Double Pointed Knitting Needles in 2.5 mm / 15 cm

Be aware: Everyone knits differently! For me the above numbers worked great with the amount of stitches that I casted on but if you are unsure you should definitely try on your sock a few times while knitting to make sure that it still fits.

DEFINITIONS

K = Knit

P = Purl

KBL: Knit through back loop

K2Tog = Knit 2 stitches together

SKP = Slip a stitch if to knit, knit a stitch, pass slipped stitch over the knit stitch

CUFF

Cast on 48 (1-3 months) or 56 (12-18 months) stitches using 2 needles at once to keep the cuff elastic.

For 6-9 months: **IGNORE** what I say in the video, because I made a mistake!

Instead either cast on 48 stitches using bigger needles (2.75 mm) or cast on 56 stitches using smaller needles (2.25 mm).

Then K2 P2 until the cuff is 2 cm long.

LEG

The basic pattern is knit 4 stitches through the backloop, then purl 4 stitches. Repeat that for 4 rounds, then shift the pattern one stitch to the left.

In more detail:

Rounds 1-4:	KBL 4, P 4
Rounds 5-8:	P 1, KBL 4, P 3
Rounds 9-12:	P 2, KBL 4, P 2
Rounds 13-16:	P 3, KBL 4, P 1
Rounds 17-20:	P 4, KBL 4
Rounds 21-24:	KBL 1, P 4, KBL 3
Rounds 25-28:	KBL 2, P 4, KBL 2
Rounds 29-32:	KBL 3, P 4, KBL 1

Continue until sock is 13 (1-3 months),
14 (6-9 months) or 15 (12-18 months) cm long.

TOE

The stitches are all knit stitches now and the stitches are distributed evenly onto all four needles (12, 13 or 14 stitches per needle).

1. & 3. Needle: Knit until last two stitches, K2Tog
2. & 4. Needle: SKP, then knit rest of the needle

Repeat until only 20 stitches in total remain.

Then keep K2Tog until only 10 stitches remain.

Cut yarn and pull it through remaining stitches or use kitchener stitch to finish.

Done!
